Zionsville awarded 2022 Community Crossings Grant

The Indiana Department of Transportation (INDOT) has awarded the Town of Zionsville a Community Crossings Matching Grant valued at \$893,412.75. Zionsville will use the grant to fund the roundabout at Oak Street and CR 800 E.

The project is funded with a maximum 50/50 match, and the Town of Zionsville must match the grant funding provided with local funds. The grant award is based on detailed estimates that the Department of Public Works provided in the application.

Earlier this year, in the first round Community Crossings Grant, Zionsville was awarded a \$120,950.50 grant for this year's road rehabilitation and paving projects.
